

Fake Bake™  
Self-Tanning System

Recommended before and after products:

**BEFORE:**

Body Polish Scrub \$15

Face Bamboo Buffing Polish Scrub \$15

Oil Free Moisturizer: \$20

\*These products help prep the skin for a smooth and even tan. Gently exfoliating keeps skin smooth and does not leave a soap residue which can prevent the penetration of the tanning products.

**AFTER:**

Tan Enhancing Lotion \$20

Skin Smoothie Tan Lengthener \$15

\*These products help lengthen the life of the spray tan.

**SUN PROTECTION:**

SOL Survivor \$20 Special Fake Back formula sunblock to use over fake back tan to help protect against sunburn and blocks both UVA and UVB rays.

Fake Back Tanning Solution is an airbrush solution that gives a flawless application and lasting realistic tan without looking orange. The airbrush solution is of the highest quality ingredients and botanicals that are recommended by dermatologists

**PRICE:**

Airbrush Tanning \$50

On location services add \$25
